## TWO SLOVAKS BEAT POLANDER, MURDER LIKELY THE OUTCOME.

Unfortunate Man Who Had Been Beaten and Robbed in  
Pittsburg in Dying Condition at Sherrick Station.

### ONE ARREST HAS BEEN MADE.

Pole Was Sleeping at Boarding House  
at Sherrick Yesterday Afternoon  
When the Assault is Alleged to Have  
Been Made—One Culpit at Large.

What may result in another murder occurred at Sherrick station on the Broad Ford and Mt. Pleasant branch of the Baltimore & Ohio railroad yesterday afternoon about 2:30 o'clock. An unknown Poland, who came to the boarding house of Mike Melchuk on Wednesday, is the victim. He is lying at the boarding house in an unconscious condition and this morning it was stated that his recovery was not good. Steve Adams, a Slovak or Hungarian, is in the Liver son lockup and today will be taken to jail charged with the assault and Constable Frank Smith of Upper Tyrone township is at Sherrick looking for John Bogdan, another man accused of taking part in the assault.

The Poland came to Sherrick on Wednesday morning. He said he had just arrived from Pittsburg, where he had been beaten and robbed of \$27. He wore a red coat and had on a pair of women's shoes. The man was beaten up about the face and head and bore other evidences of having passed through a severe experience.

Yesterday afternoon Adams and Bogden were at Melchuk's house. It is alleged the men were drinking. They got to quarreling about their physical prowess. Adams and Bogden said they could easily dispose of the Pole who retorted that he could "slap either one of them in the face and break them to pieces. Adams said he then punched the Poland twice knocking him down. Bogden then took a turn and he too knocked the Pole down twice.

Constable Smith had a hard time arresting Adams. He had a revolver and attempted to use the bill. A story from Sherrick is that Adams and Bogden had been to Scotland where they had been free. They came upon the Poland while he was sleeping at Melchuk's boarding house and attacked him without provocation. The handily was freely used and it is claimed the Pole was also kicked in the face and on the head.

Bogden just came to the police station Monday evening and Adams came to Sherrick from Pittsburg a few days ago. None of the men implicated in the attack can speak English and the accurate details of the assault could not be learned. The Poland is being treated by a Broad Ford physician.

Colonial This Evening.

That much heralded musical comedy, "The Vanderbilt Cup," comes to the Colonial Theatre this evening. It had a tremendous run for three months at the Broadway Theatre, New York, and ran for three months at the Colonial Theatre, in Chicago. It is said to be a delightfully clever satire on the smart set and their motor enthusiasm, and to fully stimulate with sparkling dialogue and witty epigrams in automobile language. The play at the Colonial is comprised with all the refinements of detail and wealth of stage settings which distinguished its metropolitan run. Beautiful music, novel dances, and a series of Broadway's famous beauties in the smartest automobile to be seen, will be in evidence. The cast, which made the hits in New York and Chicago, "The Little Chauvinist," "Somewhere in the World," "The Little Girl That Lived in the House," and "The House of the Rising Sun," will likely be whittled and snipped here, as they are said to be. The cast is a big one, and includes nearly all the principals who created the leading roles in New York.

### IGNORANCE AND THE LAWS.

Ignorance of the law excuseth no man, is a principle of our jurisprudence older than the nation itself, yet a proposition to make public the Pennsylvania session laws, to the end that law-abiding Pennsylvania people may know what they are and give them obedience, has been treated as a joke by some of the lawmakers.

The Harrisburg Assembly says the Connelleville Council's ordinance are not valid and binding upon the citizens unless they are published in the newspapers and the public is further informed concerning them by posting in conspicuous places at least twelve handbills; but the Harrisburg Assembly publishes a whole book of laws at every session and makes absolutely no provision for their publication as a matter of public information, other in the newspapers or anywhere else. Months after the laws are effective, a book containing them comes from the State Printer. The judges and the lawyers and the justices of the peace are each provided with one copy. The public is allowed to remain unenlightened.

The Legislature refuses to tell the people what the courts decide they ought to know and are expected to know. It is a serious question whether laws so passed and so concealed from public view are binding upon the people.

The fairness and wisdom of the proposition to provide some means of informing the public concerning the laws they are expected to obey, and which they are punished for not obeying, is so apparent that no honest and intelligent legislator could possibly treat the matter as a jest.

We are bound to assume, therefore, that those who did are either ignorant or infinitely more ignorant.

We know that evil legislation and its authors love not the light of publicity, and there is doubtless much of both at Harrisburg this winter. The publication in the newspapers day by day of the laws they are expected to obey would not suit the underground methods of their promoters. We can well understand their opposition.

But it is humiliating to confess that the greater part of the opposition in times past to this bill has come from ignorance or carelessness. Too many sap-heads are sent to Harrisburg to make laws for us. Few of them are capable of drafting a bill. Many of them do not understand the measure from a bad one. The snakes are all rabbits to them. Whatever is done with the people's publication bill, we hope the Fayette county members will show their honesty and intelligence by voting for it.

### THE THREAT OF HYDROPHOBIA.

Once more hydrophobia's horrid front shows its poisoned fangs to the Fayette county people.

There can be no paucity with a danger so deadly. The situation calls for action, and in dealing with it there can be no fine distinctions exercised in the condemnation of animals suspected of contamination. The safety of society is of first importance. The dumb brute frequently has a place in somebody's affections, but if its life is required as a sacrifice to the public good no master should say nay.

The rabies are worse than a brood of rattlesnakes let loose in a crowded community. The snakes give warning before they strike, a snarl or a crouch is often sufficient defense against them, and ordinarily escape is easy by flight. But the poison-mad animal bites when attack is least suspected, and against his frenzy and ferocity there is usually no defense, no fire-arms, and few people carry them.

One mad dog or cat may affect a whole community of animals. If there is reason to suspect such a condition in Southern Fayette county, the State Constabulary cannot dispel the black and threatening cloud of danger too quickly.

Quite a flock of Pennsylvania railroad officials now rest higher in consequence of the formation of the Western Pennsylvania division. Service with the Pennsy is sooner or later a fly business.

It's up to Harry Thaw just now to work out his own sanity and salvation.

It looks like a Good Friday.

Breaches of promise seems to be sadly plentiful in Fayette county just now. They range anywhere from coal options down to Cupid's capers, but they are all cold business in court.

What would joyous Easter be without the millinery, and lots of pretty flowers and all the golden hours.

Lieutenant Perry, the Arctic explorer, gave Morgantown the icy look.

Street grades should be fixed with a view to the future. Temporary grades to suit temporary conditions, and save individuals from inconvenience and expense, always make a big bill for the future, and the borough has to pay.

Pennsylvania railroad "bunkies" are not received with favor in Connelleville and they will never become the style with our citizens.

"Thrillers" created a genuine "brainstorm" over in Greene county.

If the legislators cannot act with decency and dignity and common sense any more, the quicker they adjourn the better for the Republican party and everybody else.

We never miss the power house until the lights go out.

## DUNN'S CASH STORES.

129, 131, 133 N. Pittsburg St.,  
Connellsville, Pa.

### THE WEATHER.

Showers Friday and probably Saturday; cooler Saturday, variable winds, mostly from fresh southwest.

## FOR EASTER SUNDAY.

We wonder just how near ready you are. How many things you have yet to buy and how many of them you intend to buy at this store. We would like to have you see just how well this store can serve you on short notice. We like you to find out just the kind of ready to wear things this store has here for you to see. Like to have you learn the prices too for while this store always talks quality yet the close margin on which we are able to carry on this business enables us to talk as convincingly from a price view also.

### Suits at \$25.00.

If we were not so sure that these suits at \$25 were better suits than you could buy elsewhere for that price, we would not be calling your attention to them so often in our advertisements. You know as well as we do how popular a price \$25 is, and we have tried to have suits at that price that would meet with your approval. So many of these here for you to choose from that chances are that you can find one that will need so few alterations to insure a perfect fit that we can have it ready for you for Easter. Suppose you come in and see these suits and see if they do not more than meet your expectations of how good a suit ought to be at this price of \$25.

## AN EASTER CONCERT PLANNED.

On Wednesday evening a surprise party was held at the home of Mrs. Abram Trusel. Walrut Hill last Sunday it being Mrs. Trusel's birthday. About 35 of her friends decided to wait till the evening of the 27th so as to make a complete surprise and it was indeed to Mrs. Trusel. But after she realized what it all was, she welcomed them all to the banquet and they enjoyed an evening that will not soon be forgotten by those present and also by Mrs. Trusel by the beautiful presents they remembered her with. About 11 o'clock lunch was served, these presents being the gifts of the Ladies of Pittsburg and Bank loans of California. She is spending her Christmas vacation at home.

Friends of Miss Jennie Singer were recently shocked to hear of the sad accident which befell her. Mrs. Singer was a young woman who had been a member of the church for many years. She was a devoted wife and mother, and her death was a great loss to her family. The funeral services were held at the church, and a large number of friends attended. The burial took place in the cemetery. The church is now closed for a few days in honor of the deceased.

Vinol is able to cure hinging-on  
colds, stubborn coughs, "strong" hoars-  
ness, and thus prevent the development  
of pneumonia. It is the only medicine  
the most perfect cold ever picked up, for  
ever recommended. It contains no oil  
or grease, so it is the delicate stain  
it does not ruin the color of the  
the flaky cold, neither of the cold  
mentals, usually, taken from fresh colds,  
livers with tonic for added. We ask  
all Commalsville people to try Vinol  
in their colds, coughs, hoarseness,  
hinging-on, and in all the conditions  
mentioned, and will pay for the  
medicine on selves if it fails to cure it.  
How can we express our faith in  
Vinol? We can't say it? We can't  
say it? We can't say it?

Note—Will we are also present for  
Vinol in Commalsville. It is now for  
sale in the following stores in nearby

## At a Season When Every Sentient Thing Takes Unto Itself a New Garment.

The human being who does not yearn to do likewise lacks an instinct common to the universe. The spirit that sends your wife or daughter to the milliners, that prompts you to linger before an array of dazzling neckties on your way to lunch, is the same which clothes the earth with spring apparel and brings a new blue to the winter sky.

It is all a part of the spirit of the Easter Bonnet which fills the shop windows, and which next Sunday, will rule the christian world. Easter dress is a part of the universal spring spirit of renewal, and unless nature herself can be accused of undue attention to dress, you can find as many reasons for your new spring gown or new suit of clothes as there are new leaves budding on the bare brown trees.

This is a shop that pays the deepest homage to the universal spirit of newness by presenting to the most discriminative clientel in this section—a collection of merchandise abounding with every knack of style that is decreed as modish.

An Important Specialty of Ours.  
**Women's Tailored Suits,**  
At \$20.00, \$25.00 and \$35.

Rather than an innovation, it is the development of a part of our business. We have always centered our energies on suits at these prices. Beginning with this season that series of garments rises to the dignity of a specialty.

Why? Because we have found the ways and means to present tailored suits at those prices in a variety of styles, fabrics and colors at least twice greater than competing shops.

These are facts that will impress themselves forcibly upon you when you view the collection. The space our suit department occupies is a silent testimonial to the rapid growth of our suit business and rapid growth can be attributed to but these reasons: Dependable style and quality at economic prices. That's the reason why next Sunday "Wright-Metzler ready-for-service apparel" will dominate every gathering that is governed by the spirit of proper Easter garb.

### A Superb Collection of Women's Waists.

Nearly 75 feet of shelving is given over to this department. Eighty feet of glass floor cases are used for display. That's how important we hold our waist department to be. This would not be the case unless we controlled the larger number of waist sales in Connellsville, and the logical deduction is superiority.

Variety plays no small part, of course, for no woman can be satisfactorily served with but a few to choose among. Variety, dependable style and prices comparatively low means thorough representation in the style parade of Sunday next. \$1.00 to \$22.50.

### Exclusiveness—is the Key-note of Our Millinery Supremacy.

**T**HERE is no more attractive shopping place in this town today than the Wright-Metzler millinery section. The happiest selections we have ever made are here in profusion:

TRIMMED DRESS AND STREET HATS,  
TRIMMED TAILOR SUIT HATS,  
UNTRIMMED SHAPES FROM BEST DOMESTIC FACTORIES.

French flowers, fruits and foliage, fancy feathers, wings Agrettes, ornaments and coques, ribbons in all the good and rare shades, mallines creton and velvet ribbons.

Untrimmed shapes in Panama, leghorn chip, java, hemp, Milan, Bancock and Neapolitan braids. In fact the most comprehensive stock of fine millinery, at popular prices, ever offered by any one store in this section.

**T**HIS season we specialize in our \$5.00 millinery. This means we have given special attention and put forth every effort to present hats at this price and quality, hats that are usually priced at from \$2.00 to \$3.00 in excess of this price. The result:

**\$5.00**

A collection of millinery at this price that we tell you emphatically can't be equaled in Western Pa., not even in Pittsburg. This is not near the truth, but absolutely the whole truth.

These hats at \$5.00 are all hand-made of neapolitan, pyrexaline, boudin and chip straws, stylishly and beautifully trimmed with flowers, ribbons, ornaments, feathers, chiffon and feathers. The shapes are toques, mushroom and tailor effects in a diversity of color effects. You will realize the superiority of this collection when you view it. We have put forth every effort in the perfection of this assortment and are enthusiastic over our success in producing hats far superior to competitive efforts.

### In the Men's Store.

Auxiliary dress forms a most important item in the Easter make up and the men who delight in humoring their taste in this regard must be more than pleased with the stocks we present. Shirts, hose, both fancy and plain, beautiful neckwear, stylish gloves, in fact everything fitting to a dress occasion no matter what the function may be. We invite inspection in view of the nearness of Easter.

### In the Women's Shop.

All the little dress necessities that go to make the perfect garb. Modish neckwear, gloves, jewelry, combs, handbags in a variety of leathers and designs, hosiery in silk and other fabrics, both plain and fancy coat sets, in lace and embroidered Swiss, ribbons, and many other necessary adjuncts to the perfect apparel. A visit will no doubt remind you of many little needed things that you had entirely overlooked.

### They'll Look at Your Hat Next Sunday.

Easter is "hat day," and if you've only worn your last year's hat once, it will appear old, as the change in style is radical. Small hats have the preference as against the wide rolling rims of 1906. We show the "Howard Hat" in every wanted style, both soft and stiff shapes.

**\$3.00**

Beginning with suits of a thoroughly serviceable and dependable character at a modest price and ending with garments of finer fabrics that embody the higher phases of the tailor's craft. This collection includes Norfolks, Sailor and Russian Blouse, Eton and Buster Brown models for the younger boy, also stylish sack suits, both in single and double-breasted models for the boys of an older age, in many distinctive and authoritative patterns and fabrics. All this variety does not unduly influence the prices. They are modest.

### Your Foot Will Show.

If it is shabbily attired the rest of your spic span appearance counts for naught. Our new spring models are characterized by many exclusive features, vamp shorter than ever, high, medium and low heels, with grace and style in every line and curve tan and black leathers.
